I'm calling about the E&O, I'm sorry, the EJ&E purchase. I think it would very negatively impact Plainfield. We are on that westside of Route 30 and we have enough trains as it is going by, so I just think it's a bad idea all the way around. To keep cars sitting there for, you know, a two-mile train and the noise impact, there's so many houses that back up to the railroad tracks, that we're, you know, told that it was a freight train that would only go by 5 or 6 times a day and then to have it go, you know, up to 50 a day is just gonna negatively impact people's property values also. Okay? Thank you. If you want to reach me, I'm at 815-436-9384. Thank you. Bye
