Message: As a School District 204 Parent, I am strongly opposed to the proposed acquisition by the CNR Corp. of the EJ&E RR as it will increase railway traffic substantially along with traffic accidents and fatalities, especially at grade-level railroad crossings. It will delay emergency response by medical, fire and police personnel to our schools. It will increased transport of hazardous materials and potential for their derailment near our schools and homes. It will delay transportation of students to and from our schools. It is a bad idea.
