My main concerns in Frankfort;

1. *Safety for children - There are 2 schools, a large church and a day camp very close to the rail crossing at Frank Trail and another cross at Pfeiffer Rd. There are many school buses and there is no other way to avoid these crossings. You can go further east to Harlem Ave and there is a rail ~~crossing~~ crossing there.*

2. *Emergency vehicles i.e. ambulances, fire trucks, police will not be able to get to many areas without being delayed by trains crossing Frank Trail, Pfeiffer, Harlem and Center in Frankfort. It prevents 6 trains a day and put long cars to not expect traffic nearly but 28 certainly will.*
