So my name is Tucker Arendsee,

3 And there have recently been
4 deaths about all these freight trains. And
5 people have been gotten killed over it. I
6 don't think -- those are very short trains
7 compared to the two-mile ones they're now
8 thinking of making, which is incredible.
9 So I think, you know it's a very legitimate
10 cause to stop these two-mile-long trains.
11 And the congestion in Barrington is going
12 to be awful after this.

13 So there you go.
