Do not approve this train!
 We don't need 15 more trains disrupting
 our traffic.
 What toxic waste would they carry?

The trains will cross Lake Cook right
 before the high school & hold up traffic
 for the school!

Line will cross our commuter line
 and interfere with commuter trains

Installing double tracks will tear up
 communities.

Keep their traffic, where it
 is in Chicago! Not out here.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.

YOUR INPUT IS IMPORTANT!

Comments provided by the public help determine the scope of the environmental review.
