Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date:

8/27/08

Comments must be submitted by September 30, 2008.

The purchase of the E.J. & E.R.R. by C.N. MUST NOT be allowed - the consequences to the survival of our community if it proceeds amounts to legalize commercial "terrorism." Citizens will be "afraid" they cannot arrive, to leave or commute anywhere in our community due to grid lock.

* The C.N. Railroad has a terrible safety record the worst in the industry. Do not allow a foreign country moving foreign goods to destroy our city. Jobs will be eliminated.
