I'm calling about the acquisition of the railroad, uh the CN pro, uh railroad, and I'm totally against it. With the impact of our uh community, it splits our community in half. I live a block from the railroad and I live right across the railroad, I work right across the railroad at a school, it would be uh really detrimental to our neighborhood in the amount of traffic of the trains and I think it's appalling that a, a foreign country can dictate our lives and just be allowed to do this with no impact on their part at all, in anything. Uh, I hope this is being heard. I appreciate anything that the NTB can do. Please, please, please stop this. Thank you
