

Dear Phillis,

We as a family are begging you to please STOP THIS ACQUISITION! The cost's are so great and at the benefit of a foreign corporation. What has become of our nation and way of life? Everything can be bought for a price, but not our whole community sold out like this. This will cripple our town completely. We have 3 crossings within a $\frac{3}{4}$ mile area right thru the middle of our town.

Please do the right thing.

Thank you very much,
