Dear Madam

It has come to my attention
that it is going to be difficult
to go North in the future if
Canadian National Railway
purchases the ~~E.~~ J. & E Railway.
They propose (?) 28 trains
per day.

North of us are two Hospitals,
seven grocery stores, two large
shopping malls and a host of
other strip stores, Dr's and
dentist offices and auto
malls.

I count three underpasses;
one in Park Forest, one
in Frankfort and one in
Matteson which is subject
to flooding.

I count about eight (?)
street level crossings that
I know of.

I object to this proposed
situation:

U.S. Surface Transportation
Board Finance Docket No. 3587

Very truly yours

Keith Phelps

P.S. I see a huge waste of
gasoline with hundreds of
waiting cars and trucks
idling at these crossings
all day and night.
