RE: STB Finance Docket No. 34666, *Columbus and Greenville Railway Co.—Verified Notice of Exemption—Acquisition and Operation of 2.99 Miles of Newly Constructed Track in Greenwood, Leflore County, MS*

Dear Secretary Williams:

By this letter, Morris Recycling, Inc. respectfully requests that the Board hold the procedural schedule in the above-referenced docket in abeyance. Morris states that it has entered into settlement discussions with the Columbus and Greenville Railway Company ("C&G") and the City of Greenwood and that a settlement agreement will likely be reached within the next week. Morris also states that C&G, the other party to this case, has authorized this letter and supports holding the procedural schedule in abeyance for purposes of reaching a settlement.

Additionally, in order to accommodate C&G's counsel's existing vacation plans, Morris asks that the Board set a date for filing of its supplemental Petition to Revoke no earlier than Monday, August 15th, in the event a settlement is not reached, and appropriately extend C&G's time to submit its Reply.

Because Morris's supplemental Petition to Revoke is due this Monday, July 18th, pursuant to the Board's decision served June 23, 2005, Morris requests expedited consideration of this request.

Morris has submitted an original and ten (10) copies of this Letter for filing in the above-referenced docket. An extra copy of this Letter is enclosed for time and date stamping and return to our offices.

If you have any questions regarding the foregoing, then please do not hesitate to contact me.

Sincerely,

Jeffrey O. Moreno
