Subject: Botetourt County Abandonment - 2nd Archival Research Request - Baker & Miller PLLC on Behalf of Norfolk Southern Railway Company

Mr. Hubbard:

My name is Crystal M. Zorbaugh. I am writing you to request that you perform Archival Research on behalf of our client, Norfolk Southern Railway Company. In that regard, please find attached the two required forms to commence research: Conditions for Use, DHR Data and the Archival Search Request Form. We previously submitted this request for review, but were unaware at the time that the shape files we submitted contained a larger segment than currently subject to abandonment before the Surface Transportation Board. After communications with your agency, we were instructed to resubmit the request a second time enclosing shape files limited to the area at subject in the current proceeding.

Per your agency's instructions please find attached shape files (.shp) for the Botetourt County Abandonment, as well as associated files used to create the shape file. I did not personally create the files; thus, if anyone in your office has any questions about the shape file or documents used to create the shape files, please contact Sarah Morris of Norfolk Southern via telephone at 757-629-2609 or via e-mail Sarah.Morris@nscorp.com.

If you have any questions concerning my request, please contact me at 202-663-7831.

Thank you in advance,

Crystal M. Zorbaugh
Law Clerk
