Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date:

In the 33 years that have passed since moving
To Barrington I have never seen the ~~the~~ traffic
as heavy as it is now. It simply will be unbearable
if there are 20+ mile long trains passing through
every day ~~about~~ The EJ&E tracks were
never designed for that type of volume and
I do sincerely believe that there will be a
tragic accident if this happens

YOUR INPUT IS IMPORTANT!
