 Subject: Great Lakes Basin Rail EIS and Webinar

Good Afternoon,

I received a call from Adam Assenza (sp?) today inviting us to participate in the upcoming webinar on April 6th at 9am regarding the above project with STB.

He asked that I let you know the names of those from the Illinois Division of Federal Highway Administration that would like to call in.

Unfortunately, I will be on travel that day, but my staff will be participating.

Jon-Paul Kohler
 JD Stevenson
 Scott Fulkerson
 Chris Byars

Please forward me the call-in information, etc. We look forward to the opportunity to learn about this project and appreciate the invitation.

Thank you,

Kay
