Re AB 853 (Sub No 1X)

Dear Secretary Williams:

In filing our application for a Certificate of Interim Trail Use we inadvertently listed the mileage incorrectly for the railroad right-of-way for which we seek to negotiate acquisition. The copy of the abandonment notice we received by FAX was not clear, therefore difficult to read.

The correct mileage for this right-of-way is 46.8 miles rather than the 45.8 miles shown in our application. The right-of-way extends from milepost 489.2 at Coates to milepost 636.0 at Protection. The line passes through Comanche, Kiowa and Pratt counties in Kansas.

In making this application the Iowa Trails Council is representing the interest of the Short Grass Prairie Trail Council as well as the interest of the Iowa Trails Council. We have previously filed the required fee of \$150.00.

We apologize for our error in not using the correct data in our original application and for any inconvenience this may have caused.

Sincerely,

Tom F. Neenan
