PETITION

**THE PROPOSED PURCHASE OF THE EJ&E RAILROAD BY THE
CANADIAN NATIONAL RAILROAD**

The undersigned hereby oppose the acquisition of the EJ&E railroad by the CN railroad, including but not limited to, the following reasons. Griffith residents Quality of Life will be adversely affected by the proposed increased rail traffic through:

- Additional Hazardous Waste Transports through Griffith.
- Increased length of trains will increase the delay for vehicular traffic at RR crossings.
- Increased response time for emergency vehicles (Police, Fire, Ambulance).
- Current un-protected at-grade crossings.
- Increased noise pollution.

I would actually prefer either railroad that puts
fences or barriers or patrols the lines. There is a
lot of action on the tracks-to-frestle portion behind
my house & no one (town, railroad) seems to be
responsible - and hasn't for the 40 yrs I've been here
unless the town police were chasing someone or
Mr. Mc. (EJ. cop) was called.

Please sign & return in your utility bill envelope. To sign you must be 18 years of age.
