We believe there are better options to Chicago Rail Traffic than taking farm land that can not be replaced. We (Illinois) have some the the richest + fertile soil.

We have researched this, Why aren't the existing rails used. This would be literally in my yard. C.R.A.T.E in Chicago is already rerouting trains to relieve congestion. This doesn't

NOTE: When an individual chooses to submit an Environmental Comment or some Other Submissions, his or her personal contact information is considered public information and is shared with and outside of STB without additional authorization.
