3 The changes that they are going to be
4 making is going to put more train traffic on Diamond
5 Lake Road and 45 -- Diamond Lake Road and 60/83.
6 Sorry. 60 and 83 go from two lanes plus a turn down
7 to one lane over the tracks. And when that train
8 crosses those tracks, there is such a backup, the
9 backup goes all the way to 45. So you are basically
10 taking two lanes of traffic, converting it down to
11 one. And at rush hour, there is no movement on the
12 highway.

13 There is no movement of traffic. There
14 is no emergency traffic that can get through. The
15 cars can't get through. That is it.
