My concern is All about my issue. I Live
250 Feet From these tracks. When I bought my
house I know what I was getting into 0-6 trains
a day for the last 100 years. That is what I got
into not 28-30 trains 6 thousand plus Feet Long
CN. can pay for Mitagations not My tax Money.
Anytime some one wants to visit me and see what I
have to deal with can stop by at anytime just call
and let me know when you want to come. If this
canadian company wants to make billions off America they
can put some money back and take care of the problems
they cause. I will lose everything I have worked for
the last 30 years of my life ~~th~~ try selling a house
where ~~my~~ mine is located Good Luck!!

YOUR INPUT IS IMPORTANT!
