## Transcript:

I'm calling to oppose uh the railroad. I think it's ridiculous to even um suggest that approximately 30 trains um or even 10 for that matter, per day could come through our Village, um it disrupts emergency services, bus services, my daughter's driving, my driving, it's absolutely absurd. We did not move to this Village to um be subjected to this um, nor will I stand for it. Please call me if you have any questions, my home number is 815-462-4588. And I will also be attending the meeting.
