Dear Ms. Lerner:

Kindly accept this request to correct/clarify the above referenced Notice of Exemption (Heywood Branch, Worcester County). The subject line was sold to New England Power Company ("NPC") in April of 1963. Upon conveyance of title to said NPC, Boston and Maine Corporation ("B&M") retained a freight easement over the subject line via deed. It is B&M's intent to now abandon said easement. To the best of B&M's knowledge, at no time has B&M provided service to any customer on the subject line since conveyance of title.

Attached is the portion of the deed that retained B&M's easement rights. Should you have any questions in regard to this filing, please do not hesitate to contact the undersigned at (978) 663-1215. Thank you in advance for your assistance in this matter.

Very truly yours,

Robert B. Burns
Corporate Counsel
