Transcript:

I'm calling to voice my strong opposition to the uh possible rail line acquisition. Um we love our community here in Barrington and the safety and welfare of our children and community um is priceless and a 400% increase in freight train traffic would truly jeopardize all of that. Um, we're outraged by the possibility of this and uh we'll do anything and everything possible to stop um this acquisition and protect Barrington and basically the safe way of life here. Uh thank you
