Dear Mr. Oberman:

Thank you for your special attention to the rail feed crisis affecting the state of California and our nation's food supply. As you know, California's livestock is a multi-billion-dollar sector and rail system delays continue to hamper our nations access to vital protein. Your ongoing efforts are essential to resolving this critical facet of the supply chain issue.

Again, I appreciate your responsiveness and engagement on this issue and look forward to working with you. Please do not hesitate to reach out.

Sincerely,

JIM COSTA
Member of Congress
