Transcript:

I live in Aurora, Illinois 60504, um actually quite near the Ogden Avenue um crossing, uh it's at Ogden Avenue and Frontenac. My family and I are strongly against um the acquisition, or proposed acquisition um by Canadian National for may reasons. Some of those reasons are um uh, the problems it'll cause environmentally, um fire and police have testified that there are going to be problems with them getting vehicles in emergency situations, uh school busses will have to wait uh longer periods of time, uh gas and diesel fuel will be wasted with the longer wait times at crossings, um I don't think I have a lot of time on this um, you know, to leave more of a message, but um the DEIS did not thoroughly evaluate and provide documented proof of the benefits to the communities along, um CN's existing lines. Um so I, my family and I are strongly, strongly object to the proposal um proposed acquisition by CN and we want to be noted, so uh please do not do this, do not vote for it.
