Transcript:

I'm calling to voice my opposition to the proposed railway acquisition by Canadian National. Uh, this will affect myself, my family, uh elderly people in the neighborhood that there's about one, two, three, four, five, six, seven different railway stops in our town and all of those stops we will not be able to use. Uh, and I'm currently opposed to this, this is an outrageous thing for them to do and uh I'm just calling to oppose my, my views and to let you know that I don't agree with this and hopefully someone will listen. Thank you.
