Subject Upcoming meeting regarding Canadian National plan to
purchase Elgin , Joliet & Eastern Railway

Please move the meeting for public comment on Sept. 9 2008 to Waubonsie Valley High School. The taxpayers who will have to cross those tracks won't be coming east over these tracks to get to high school from West Aurora. They will be driving west over these tracks to get to WVHS. If this purchase takes place, there must be an agreement that Canadian National pay for and construct overpasses. Thanks. John Barry. Naperville Il. 630-362-3914.

John
