I wanted to voice my deep disapproval of the EJ&E railroads intent to increase the amount of cars and trips through the Barrington area. I have lived in this area for over five years and have three grandchildren that go to school in this district. I am very concerned about the traffic and especially the safety since their buses go directly over the tracks on Lake Cook Rd. My family and many other families in our area are very much against the EJ&E railroads intention. Please do what you can to stop them.

Thank You Very Much

Lillian Casey
