Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

CN should not be permitted to acquire the ESSE Rail Line.

CN has other routes to move its freight and does not require the ESSE Rail Line. Its only reason to

acquire the ESSE Rail line is to by-pass the back log in freight shipping that exists in Chicago.

They should instead attempt to address the traffic/shipping problems in the Chicago terminal.

YOUR INPUT IS IMPORTANT!
