- ① Noise pollution from frequent whistles blowing & rumble from train movement
- ② Increase train traffic only benefits CN Railroad and not our residents
- ③ Pollution brought on from exhaust from standing trains waiting for train to pass through intersection
- ④ Possible train accident polluting our wells.
- ⑤ Highway system along Rt 59 already overloaded with cars & trucks polluting our community.
- ⑥ Currently CN Railroad is raising the number of trains to 23. This will only increase in the future.
- ⑦ all crossings should have overpasses over tracks
- ⑧ 8000 foot trains with few roads over them present a health concern for emergency situations

WE JUST DON'T WANT INCREASE TRAIN TRAFFIC FOR THE SAFETY OF OUR CHILDREN & OURSELVES
