

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: Sept. 2, 2008

Please keep my & my families
best interest in mind when deciding
on EJ + J acquisition. It simply
makes no sense for a private Co.
to have this level of unfettered power
when it comes to determining what
is in the best interests of our community.
SAVE HAWTHORN WOODS / LAKE ZURICH IL.
