Statement that an agreement has been reached **49 CFR 1150.43(c)**

East Penn Railways, Inc. (East Penn) is negotiating and expects to reach an agreement in the near future whereby it will purchase from ISG Railways, Inc. (ISGR)¹ a line of railroad owned and presently operated by ISGR.

¹ The address for ISGR is ISG Railways, Inc. c/o International Steel Group, 4020 Kinross Lakes Parkway, Richfield, OH 44286.

Operator of the property

49 CFR 1150.43(d)

In all cases anticipated by this Notice, and as described in the transaction summary described below, East Penn will hold itself out to provide common carrier rail freight service over the subject rail line.

Brief summary of the transaction

49 CFR 1150.43(e)

East Penn, an existing class III rail carrier, proposes to purchase, and ISGR proposes to sell, a portion of a rail line known as Line No. 907 extending between milepost 12.66+-approximately² at the Delaware/Pennsylvania state line and milepost 29.72 at Modena, Pennsylvania, a distance of 17.02 miles. East Penn will also replace ISGR as the rail carrier providing service over the subject rail line. East Penn proposes to consummate the transaction on or after April 20, 2005.

This transaction qualifies for a class exemption under 49 CFR 1150.41 et seq. because it involves the purchase and operation of an active rail line by an existing class III short line rail carrier.³

² Previous filings and decisions describing this line variously identify the milepost at the State Line as being MP 12.66 or MP 12.7.

³ Concurrently with this filing, East Penn is filing notices in two separate proceedings to acquire segments of track connecting to the subject

Map indicating the area to be served **49 CFR 1150.43(f)**

A map depicting the line to be acquired and operated is attached as Exhibit A.

Certificate of carrier classification **49 CFR 1150.43(g)**

East Penn hereby certifies that, with this acquisition and any related transactions, its projected annual revenues will not exceed \$5,000,000 annually. A certificate complying with the provisions of 49 CFR 1150.43(g) is attached hereto as Exhibit B to this notice.

Labor protection

Under 49 U.S.C. 10902 the imposition of labor protective conditions is not authorized for a class III acquisition, and thus none should be imposed on this transaction.

Caption summary **49 CFR 1150.44**

A caption summary in the prescribed form is attached as Exhibit C to this Notice.

line. See East Penn Railways, Inc.-Acquisition Exemption-Southeastern Pennsylvania Transportation Authority, STB Finance Docket No. 34677; East Penn Railways, Inc.-Acquisition And Operation Exemption-Reading Company, STB Finance Docket No. 34679.

Pursuant to 49 CFR 1105.6(c)(2), the proposed transaction is exempt from environmental review under 49 CFR 1105(c)(2)(i) because the actions proposed herein will not cause any operating changes that exceed the thresholds established in 1105.7(e)(4) or (5).

In addition, this transaction is exempt from historic review under 1105.8(b)(1). Under this section, a sale lease or transfer of a rail line is exempt if rail operations will continue. Further Board approval is required for the parties to abandon service, and there are no plans to dispose of or alter the properties subject to Board jurisdiction.

Respectfully submitted,
