Dear Mr. Dusenberry:

We hereby request one copy each of the year 2021 confidential Carload Waybill Sample of railroad traffic originating, terminating, or passing through the state of Utah. In addition, we ask that access to the requested data be granted to S&P Global, so that the firm can provide a database connected to the Utah Statewide Logistics Study being conducted by the Utah Inland Port Authority.

Those S&P Global and CPCS Transcom Inc. employees who will be working with the Carload Waybill Sample information will sign the standard confidentiality agreement. Please be assured that the requested data will be kept confidential and used only by those persons who need the information for the project.

If you have any questions concerning this request, please contact Dain Maher at dainmaher@utah.gov or 801-642-6772. Thank you for your consideration of this request.

Sincerely,
