Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8/28/08

This tremendous increase of number of trains from 5.5 to 22.5 @ will cause havoc on West Bartlett Road with respect to

1. General traffic
2. Ambulance
3. Fire ~~traffic~~ station activity

To accommodate the sale

Bridges should be built for continuous traffic flow.
