Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

I am fully aware of some communities needing
the proposal however Barrington being removed is the
fact that 2 railroads on either side of town + intersecting
in the center make it impossible to leave town in any
one way and that is detrimental to all of the community
This will affect environment + safety factors
