Subject
EJ&E Purchase

Another reason to vote against the Canadian Railway purchase of the EJ&E is currently Lake County has a big shortage of people to fill mid level jobs due to the costs of commuting. The Canadian National would increase the cost of commuting creating an even larger shortage of available people to fill the jobs. This would hurt the economy and these Companies even more.

Please vote no on the purchase of the EJ&E railroad by Canadian National.

A concerned citizen,

Gale Rehbein
Barrington, IL
