**Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company**

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

I think it's despicable that the US government will allow a foreign owned company to ruin our town, decrease our property values & put us in danger with emergency response. Also we as citizens will have to foot the bill for something we don't want for a foreign owned company! What is our nation coming to?

Our children will never know the way of life of our small community again!

YOUR INPUT IS IMPORTANT!
