Dear Ms. Ball

Everyone out here in the
Lincolnway Area is against this CN
Purchase of the EJ & E railroad. All
the local Mayor's, the entire Will
County Board, Cong. Rep Terry Weller
Senator's Obama or Durbin are against it.
As we are a Democracy, this should
be enough to stop this foreign
Corporation from railroading this
Fiasco down taxpayers throats.
What is stopping you from stopping
CN Railroad? Please Write.
John Mc
