Re: Finance Docket No. 35852, Canaveral Port Authority – Petition For An
Exemption From 49 U.S.C. §10901 To Construct and Operate a Rail Line
Extension to Port Canaveral, Florida

Dear Dave:

In accordance with 49 C.F.R. §1105.10(d), The Canaveral Port Authority (“CPA”) requests that the Office of Environmental Analysis (“OEA”) approve the use of a third-party consultant, to be selected by OEA, to work under the supervision of OEA in the preparation of the environmental documentation required under 49 C.F.R. Part 1105 in connection with the above-captioned matter.

CPA wishes to inform OEA that it would have no objection if OEA were to select ICF International as the third-party consultant. ICF International is among the third-party consultants pre-approved by OEA for use in the environmental studies.

Sincerely,

Kathryn Kusske Floyd
