Comments:

RE: STB Finance Docket No. 35087. Please do not consider this sale and increased rail traffic for our community. The tax burden and the major inconvenience and danger this presents does not outweigh the convenience to the rail company. Please schedule the meetings in the area that is affected, not 7 miles from there. Our community opposes this sale and should be given a chance to voice our concerns.

Thank you for your consideration in this matter.
