2 Mekala Cecola, we live in Barrington,
3 Illinois. We have a lot of concerns
4 regarding the new upload of EJ/Canadian
5 National using the lines for the safety of
6 our community. My husband is a fireman,
7 and we've watched the amount of times he's
8 needed to go across the tracks; therefore,
9 blocking the tracks would cause a great
10 concern to many of the people which he
11 serves.

12 Secondly, for the people who
13 live along the tracks, they can never alter
14 or change that. Therefore, it adds tons of
15 jeopardy to their lives, being friends of
16 ours greatly concerned about them. My
17 daughter here is here really to represent
18 the horses within Barrington Hills. She
19 has great concerns about how the trains
20 will affect them and their state of health.
21 So we do not want the train line to come
22 through Barrington.
