

080210 Wilcox

My name is Jerry Wilcox. My address is 3140 Benet Place; that's in Aurora IL and I'm for the purchase of the Canadian Pacific of the EJE railroad lines and the reason why is I enjoy looking at trains going by. The freight trains, the different box cars and loads they carry so I'm all for it. I think. . . I live right in a subdivision and I can see the train tracks and I enjoy every time a train goes by. So for me, I have no concerns with this issue about it. I think it would be great to see more trains than what the EJE is doing right now. So, that'd be awesome. So you got a yay vote from me. Thank you so much for hearing my comments and trains are awesome. Bye-bye.
