Re: EP 526 (Sub-No. 24)
Nomination of Elliott Pomeranz to the RSTAC

Dear Mr. Chairman:

I am writing to express GATX's support for the nomination of Elliott Pomeranz, Vice President, Synagro Rail, to serve as a small shipper representative on the Railroad - Shipper Transportation Advisory Council. His extensive experience at Synagro Rail, and previously at Safety Kleen/Clean Harbors, would bring to the RSTAC a deep understanding of the critical issues with which the RSTAC is charged; specifically, "car supply, rates, competition, and effective procedures for addressing legitimate shipper and other claims."

Mr. Pomeranz has a wealth of knowledge as a result of his more than 20 years of rail shipper experience. In particular, his insight into the challenges facing small rail shippers would be an invaluable asset and contribution to the RSTAC and the Board.

In my dealings with Mr. Pomeranz, I have found a well-versed and innovative thinker who has the experience to address a wide array of small shipper concerns. He is both enthusiastic and knowledgeable, as well as diligent and committed, to each undertaking in which we have been jointly involved. In short, Mr. Pomeranz represents exactly what the small shipper community needs to speak for its interests on the RSTAC, and I therefore endorse his nomination.

Sincerely,

Paul F. Titterton
