Re: Docket No. FD 36702, Chesapeake and Indiana Railroad Company, LLC—Lease and Operation Exemption—Northern Indiana Railroad Company, LLC

Dear Ms. Brown:

On May 12, 2023, Chesapeake and Indiana Railroad Company, LLC (“CKIN”) filed a verified notice of exemption in the above-captioned proceeding seeking to continue to lease and operate a rail line in Indiana. In prior proceedings involving the line, there has been a minor discrepancy regarding the milepost description of the portion of the line between Lacrosse, Ind., and Wellsboro, Ind. Specifically, some prior Board decisions indicate that the terminus in Lacrosse is located at or near milepost CF 0.23 while others indicate that the terminus is at or near milepost CF 0.63.¹

CKIN has investigated the issue and determined that the correct terminus is at milepost CF 0.63. As such, all references in CKIN’s verified notice to “milepost CF 0.23” should be replaced with “milepost CF 0.63,” and all references to the line constituting “27.92 miles” should be replaced with “27.52 miles.”

¹ See, e.g., *Chesapeake & Ind. R.R.—Amended Operation Exemption—Town of N. Judson, Ind.*, Docket No. FD 36147 (STB served Oct. 20, 2017) (milepost 0.23); *N. Ind. R.R.—Acquis. Exemption—Town of N. Judson, Ind.*, Docket No. FD 36499 (STB served Apr. 2, 2021) (milepost 0.63).
