With not only being a short distance from
the tracks & being a late sleeper am
woken up everytime the train passes through
@ 14 close to the library.

That's just one, the other is the safety of
my child. His bus has to cross over
the RR tracks 6 times before he gets
home from / to school.

Why should we let the E&J run the
safety of our community. We should
not ~~pay~~ the cost of any maintenance or
improvements on the line.

Being a crossing guard for the Village
I see the impact the trains have on
the people on a daily basis & it's
a disaster waiting to happen.

The railroad sucks!

YOUR INPUT IS IMPORTANT!
