Hi, this is Diana Thompson and I am calling to give a comment that based on the title of the public scoping meeting for acquisition, I choose not to attend the public meeting, however now that I am hearing that this comment period will be for construction and for increased operations as well. I believe this was unclear and my question would be are you planning on holding additional scoping meetings and extending the comment period. I live in Naperville Illinois and I don't feel that Naperville had an opportunity to come together as a community to discuss possible impacts that this take over would include. So if you can put me on your mailing address, my mailing address would be 4535 Cork tree Road, Naperville IL, 60564. So hopefully we will be able to include a scoping meeting for the Naperville area. Thank you very much, goodbye.
