Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date:

8/28/08

Comments must be submitted by September 30, 2008.

Main Concerns:

1. Backup on Rt. 59 during daylight hours.
Rt 59 is the only major north/south ~~inter~~ road in
2. Buses going to South Elgin H.S. area.
from Bartlett will have delays
on Stearns Rd. + W. Bartlett Rd.
3. \$8 million fire station built to
serve western Bartlett ~~is~~ now
worthless
4. Since when does a foreign company
have more rights than American
citizens. We are the government. If
we feel this purchase is not good
for all, why does the federal government
have the right to ignore ~~our~~ our wishes?

YOUR INPUT IS IMPORTANT!
