

080215 Mikos

Yes, my name is Geraldine Mikos. My address is 817 Highland Road in Frankfort IL 60423 and I'm pleading with the conservation board to reconsider the sale of the railroad. I can't begin to tell you how disruptive it is going to be. We're right near the railroad and for the additional trains to go by. . . the noise level . . . the diesel fuel smell coming through here. We've always been extremely happy with our little, rural environment and this is like I said, just going to disrupt us and change our way of life together. To me and my family, my children. . . please reconsider the sale of that railroad. Thank you very much. My telephone number is 815-469-2209.
