Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

This is one of the worst thought out acts of a hostile take over by big business I have ever seen. There is absolutely no benefit to our town and, in fact, a huge detriment to the communities as a whole. This is yet another example of business' bottom line taking precedence over the lives, health and welfare of human beings.

Frankly, I am disgusted by the blatant disregard for the Communities, lack of mitigation at our crossings and only being concerned with CN's bottom line.

If this goes through, I'm afraid I will have to make my children learn the hard way that they really don't matter in the scope of this community when it comes to them vs. big business.

Our quality of life will be more sorely compromised than any benefit to CN in the future.

Nancy Nelson
