Re: Docket No. FD 36⁴⁷², *CSX Corporation and CSX Transportation, Inc.-Control and Merger-Pan Am Systems, Inc., et al.*

Dear Ms. Brown:

I am Lee Goodwin, Division Transportation Manager with BOISE CASCADE BUILDING MATERIALS DISTRIBUTION LLC, located at 1111 W Jefferson St Suite 300 Street Boise, Idaho.

BOISE CASCADE has a Building Materials Distribution yard in Portsmouth, NH and a manufacturing location in Biddeford/Saco, ME. We use the Springfield Terminal Railroad Company ("Springfield Terminal") to originate and terminate traffic at our facilities for movements within and outside of New England. The merger of Springfield Terminal into CSX Transportation, Inc. ("CSXT") will expand the single-line railroad service at our facilities.

BOISE CASCADE looks forward to the improved service that we will receive from CSXT following the approval by the Surface Transportation Board (the "Board") of the merger of Springfield Terminal into CSXT. BOISE CASCADE welcomes the level of infrastructure investment that CSXT has deemed necessary over the past several years in order to implement its dynamic operating model that has resulted in CSXT setting new standards of service performance with higher velocity, faster equipment turns, and greater consistency. We also look forward to availing ourselves of the unprecedented visibility into our supply chain through the ShipCSX platform that will enable us to track and manage our shipments with much greater precision and confidence.

BOISE CASCADE BUILDING MATERIALS DISTRIBUTION L.L.C. supports the proposed merger and requests that the Board expeditiously approve the acquisition of Pan Am Systems and its subsidiaries by CSXT.

Sincerely yours,

Cc: CSX Transportation, Inc.
