i do NOT want the CNN/EJ&E deal in n/w indiana. we have enough trains that already run through this area...it is already overly congested. i used to live in hammond, in, & worked in east chicago, in. it would take me an average of a 1/2 hour to drive a 10 minute route (4 miles), because of always being caught by at least one of the four train tracks i had to cross in order to get to work on time.
