Draft Environmental Impact Statement for the  
Proposed Canadian National Railway Company  
Acquisition of the Elgin, Joliet and Eastern Railway  
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

As AMERICAN CITIZENS, we are relying on our elected and appointed representatives to uphold our rights and protect us.

The proposed action as it stands today affects the safety of our town. Our families will receive sub-standard emergency care due to increased trains. Every second counts getting to the hospital! It is truly a matter of life and death.

Our school busses cross the tracks hundreds of times each day. Our children, especially high schoolers, cross these tracks multiple times per day.

Our water supply can be affected by a hazardous spill.

Canadian National's safety record and "good citizenship" needs to be scrutinized and held to the highest standard.

The public should not be expected to subsidize a for-profit business.

*(Demand)* We cherish our children and community. We ~~demand~~ your vigilance and due diligence in this matter!!!

YOUR INPUT IS IMPORTANT!
